

Design

General Layout/ Design

Homepage

This is where it will display all of the lists

For example:

List 1

List 2

List 3

etc

This is where the main content will be displayed so on the homepage it will display the top 3 cards like list

For example

List 1	List 2	List 3
Item 1	Item 1	Item 1
Item 2	Item 2	Item 2
Item 3	Item 3	Item 3
etc	etc	etc

List Page

<p>This is where it will display all of the lists</p> <p>For example:</p> <p>List 1</p> <p>List 2</p> <p>List 3</p> <p>etc</p>	<p>When a list is selected on the list menu from the left, the list page will be displayed with the list items and any information related to a list item</p> <table><tr><th colspan="3">List Title</th></tr><tr><td>Item1</td><td>Comment1</td><td>Options Button</td></tr><tr><td>Item2</td><td>Comment2</td><td>Options Button</td></tr><tr><td>Item3</td><td>Comment3</td><td>Options Button</td></tr><tr><td>...</td><td></td><td></td></tr><tr><td>Item10</td><td>Comment10</td><td>Options Button</td></tr></table> <p>Pagination Options</p>	List Title			Item1	Comment1	Options Button	Item2	Comment2	Options Button	Item3	Comment3	Options Button	...			Item10	Comment10	Options Button
List Title																			
Item1	Comment1	Options Button																	
Item2	Comment2	Options Button																	
Item3	Comment3	Options Button																	
...																			
Item10	Comment10	Options Button																	

Adding/ Editing List Item

When adding or editing a list item, it should display a way to enter the name and comment for the list item

List Title

Name:

Comment:

Save button Cancel button

Component Design

This is a rough component design where I have listed some basic components for my project, please note this is just a draft list and will not contain all finished components.

Containers

- Homepage (consists of list menu and summary display)
- List (consists of list items)

Components

- List Menu (consists of list menu items)
- List Menu Item (consists of list name)
- List Summary (consists of list name, top 5 list items)
- List Items (consists of list items)
- List Item (consists of name and comment)
- List Item Info (consists of name and comment inputs with save and cancel buttons)
